

Taylor ISD High-Quality Instructional Materials 2023 - 2024

Taylor ISD is committed to providing High-Quality Instructional Materials to meet the ever-changing needs of our students and staff in this current educational climate. District and campus instructional leaders researched the best resources to meet our current instructional adoption needs in the core instruction areas.

This process will be followed for selection of instructional materials 2024:

November- Teacher selection committee attend mini-curriculum tours and complete HQIM feedback form

December - Campus Teachers review samples collectively.

January - Campus Teams provide feedback and rate all materials.

April- Recommendation for science adoption materials.

May 16 - Announce High-Quality Instructional Materials to teachers

PD opportunities for exploration will be embedded during the summer and throughout the school year.

Schedule of Adoptions:

2023- K-12 Social Studies [2 year gap adoption]

High School Math [2 year gap adoption]

2024- K-12 Science Adoption

2025- K-12 Math Adoption

2026- K-12 Social Studies Adoption

2027- K-8 RLA Adoption

2028- High School RLA Adoption
