

All required UIL paperwork will be signed ONLINE through RankOne Sport. The only papers you need to turn in for your student(s) are the medical history and physical form. These should be turned in directly to the athletic trainers, or via the middle school or high school front offices, or coaches.

If your student participated in athletics last year and you created a parent account, your account is still active. Not sure if you have an account? Select "Forgot your account? Search for your Account." to see if you have already registered. If you forgot your password, select "click here" next to "Forgot your password" and you will be emailed a reset password link.

Please see the attached step-by-step directions for creating your parent account in RankOne, searching for your student(s), and filling out the required paperwork.

If you encounter any issues, please reach out to our athletic trainers, [REDACTED] and Anthony Rabaey at [REDACTED] or arabaey@taylorisd.org
