

I, the parent/guardian, for _____, give permission for this child to participate in on-site field trips at the CDC. I understand that these field trips will be held around the perimeter of the CDC (to include the blacktop outside) and that the on-site field trips may not be in a fenced-in area. The CDC will be following the licensing minimum standards of 746.1801, 746.3001, and 746.3003 which discuss child/caregiver ratio, field trips, and walks.
